Who we are

Founded in 1993, Countryside Adventure Holidays was born from a passion for the outdoors, dedicated to helping discerning travelers embark on meaningful journeys.

Guided by our philosophy of “Outlive” we believe every adventure adds richness to life.

With over 200 unique experiences across 40 countries—from trekking through the Alps to navigating the Amazon and marvelling at Antarctica’s icebergs—our holidays are designed to immerse you in local cultures, all while ensuring the highest levels of comfort, safety, and flexibility.

About

COUNTRYSIDE™
ADVENTURE HOLIDAYS
OUTLIVE

Our classic 11-day Antarctic Explorer voyage gives you the best of the stunning Antarctic Peninsula. Conquer the famed Drake Passage in your choice of stabilized, polar-class vessels; explore majestic natural environments by Zodiac, kayak or on foot; get excellent views of penguins, whales and other wildlife; and enjoy talks on history, biology and glaciology by onboard polar experts. You can personalize your adventure with options that suit your interests, and cross the 7th Continent off the list—your way.

World Voyager

COUNTRYSIDE™
ADVENTURE HOLIDAYS
OUTLIVE

World Voyager—the newest addition to the fleet—is a modern expedition ship built for science and discovery. Every design element, from the deluxe, all-balcony suites—with direct views into the surrounding polar wilderness—to the presentation theater and Science Hub, embody the spirit of discovery: the never-ending urge to explore and learn more about our polar wilderness.

Wellness amenities, such as the spa, sauna, swimming pool, Jacuzzis and outdoor running track, allow guests to rejuvenate throughout their polar expedition. The beautifully-designed restaurant and spacious lounges are ideal for guests to gather and engage in lively discussions about the day's discoveries. Another pivotal space on World Voyager is the Science Hub, where guests can share knowledge, information and insights with our scientists in residence and our Expedition Guides as part of our Science & Discovery program.
