Company Charter

At ZID Studio Interior, we are committed to creating timeless interiors that enrich the way people live, work, and experience space. Guided by creativity, integrity, and excellence, we deliver innovative design solutions that balance aesthetics, functionality, and sustainability.

We believe every project is a unique collaboration built on trust, transparency, and attention to detail. Through exceptional craftsmanship, technical expertise, and a client-focused approach, we transform ideas into inspiring environments that exceed expectations.

Design Department

Our Design Department transforms ideas into inspiring spaces through creativity, innovation, and attention to detail. Led by Senior Interior Designers, the team includes Interior Designers, FF&E Designers, and 3D Visualizers, collaborating to deliver bespoke concepts, material selections, and immersive visual presentations.

Technical Department

The Technical Department ensures every design is translated into precise, buildable documentation. Comprising the Technical Design Manager, CAD/BIM Coordinator, and Technical Draftsmen, the team develops coordinated technical drawings, construction details, and documentation that support seamless project execution.

Project Delivery

Our Project Delivery team oversees every stage of implementation, ensuring projects are completed on time, within budget, and to the highest quality standards. Led by Senior Project Managers, alongside Project Managers and Site Supervisors, the team manages coordination, site execution, quality control, and successful project handover.

Design Line

Philosophy behind Design Approach

Design is the art of shaping spaces with purpose, precision, and elegance. Our portfolio reflects our commitment

Our design philosophy is built on balance, proportion, refined materials, thoughtful lighting, sustainability, and personalization. Every project is carefully crafted to create timeless spaces that reflect our clients' vision and enhance the way they live, work, and experience their environment.

RESIDENTIAL

Some of my Project

To me, residential interior design is about creating homes that inspire and enrich everyday life. While architecture provides the framework, I shape the interior experience through thoughtful planning, refined materials, and timeless design. Every project is tailored to reflect the client's personality while balancing functionality, comfort, and elegance.
