Each week...

STEP #1 - **Pray**

STEP #2 – **Read**

STEP #3 – **Journal***

Focus on...

1. One INSIGHT to help us grow in our prayer life.
2. One PRINCIPLE / TRUTH we can practice.
3. One REALITY about Jesus that helps us know him better.

***Journal Helps:**

- 1) Text – Write the central verse(s)
- 2) Observation – Detail your observations of the Scripture.
 - a. What did the verse say?
 - b. What are the details?
 - c. What sticks out to you?
- 3) Interpretation – Journal what this scripture means to you. Allow the Holy Spirit to guide your insights. This is a Spirit-led process.
 - a. What does this verse mean to you?
 - b. Ask God, “What are you saying to me through this verse?”
- 4) Application Prayer – Journal a short prayer regarding your observations and application.
 - a. How should I respond?
 - b. Specifically, what should I do? When will I do this?

How to get the most out of these next few weeks:

- 1) You will never have time, you must make time.
- 2) Expect distractions.
- 3) Don’t read for information, but for application.
- 4) 75% of what you will take from this study will be gotten from your personal study time.
- 5) Don’t cram!!! Do it daily. (Essential for Scripture Memorization)
