PHILIPPINES FOR US

Some trips are about ticking places off a bucket list. This one is about swimming with whale sharks at sunrise, jumping into hidden lagoons by afternoon, and ending your day watching the sky turn orange over island horizons.

For nine days, we'll chase waterfalls in Cebu, explore the underground wonders of Palawan, island-hop through the turquoise waters of El Nido, and experience the energy of Manila after dark.

From giant limestone cliffs and secret beaches to bustling night markets and unforgettable sunsets, every day feels completely different from the last. This isn't just a beach vacation.

It's the kind of trip that makes you wonder why you didn't visit the Philippines sooner.

WHY FIRGUN?

Vegetarian-Friendly

Our trip leader is a vegetarian too! We've personally shortlisted cafés and restaurants that offer great vegetarian as well as non-vegetarian options, so nobody has to compromise on good food.

Visa-Free for Indian Travellers

No visa applications. No embassy visits. Just book your flight and get ready for an island adventure.

Personally Curated Experiences

We've gone beyond the usual tourist checklist. Every sunset spot, café, island experience, and hidden gem has been carefully selected by the Firgun team.

Travel with Like-Minded People

Whether you're coming solo or with friends, you'll be travelling with a community of people who share your love for experiences, conversations, and adventure.

No Rushed Sightseeing

We're not here to tick off attractions. We're here to soak in sunsets, spend longer on beautiful beaches, and truly experience the destination.

Built for Memories

From swimming with whale sharks and island hopping in El Nido to hidden lagoons and Manila nights, this trip is packed with moments you'll be talking about long after it's over.

Apr 2025 • Solo

This was my first-ever solo trip, and now there's no looking back! Big thanks to **Firgun** for giving me the confidence to take the leap into solo travel. Special shoutout to Prishitha, our trip captain, who made sure everyone felt engaged. Had some amazing conversations, loads of fun, never-ending nights, and absolutely wild games. The trip turned out to be unforgettable with this crazy bunch.

Came for the adventure, stayed for the feels

Apr 2025 • Solo

Firgun knows how to do group travel RIGHT. This was my first time ever signing up for a solo adventure and everything felt seamless, personal, and lowkey magical.

10/10 would recommend if you want to travel, laugh, and maybe get a little too attached to souls who were mere strangers a few days ago.

Already plotting my return!

Excellent

Aug 2025 • Couples

Anany bro, hands down you're the best trip leader I've ever traveled with. I've been on so many trips with different companies and leaders, but never met someone who matched my vibe the way you did. The way you connect, understand, and make people feel at ease, it's rare and honestly priceless. 🥰

Firgun Travels is not just another travel company, it's a whole vibe. The kind of memories, the bonds, the laughs, the late-night stories, it's beyond just "sightseeing." That's why ever since I came back, I've been referring **Firgun** to everyone like crazy.

And mark my words one day when **Firgun** becomes this super big-shot travel company, please don't ever lose this magic, this essence. That raw, personal touch is what makes **Firgun** unforgettable.

Much love, loads of respect, and a big shoutout to the best bhai and the best company! ❤️🔥

Firgun is just 🚀❤️

Oct 2025 • Friends

Words wouldn't be enough to describe what the decision of going a trip with **Firgun** was for me. Never imagined that it could turn out so much fun, i will meet so many new people whom i can vibe with. Trip leader Kajal is so caring and supportive to everyone that we never felt like she being a leader, but felt like more of a friend to us. And the best part with **firgun** is, all the people we met who were there in the group we mixed up so well that anyone couldn't say we all just met. Parties, drinks, roaming together was so much fun. And the trip was all worth it just because of how the itinerary was planned and everything was taken care of. **Firgun** is The Best decision of my life.
