

Payrex Payment Terminals for Every Business Model

Whether in your store, on the go, or at events, Payrex's modern terminals allow you to accept all common payment methods. The handy devices combine Swiss quality with intuitive operation, secure payment processing, and stylish design.

N910 Pro

Modern and versatile

The modern and powerful N910 Pro, with its built-in receipt printer and long battery life, is suitable for every field of application.

- ✓ Large 5.5" display
- ✓ Built-in receipt printer
- ✓ Powerful software
- ✓ Integrated SIM card

Nexgo N6

Small and practical

The compact N6, which doesn't have a receipt printer, fits perfectly in any trouser pocket and is ideal for mobile traders who don't need receipts.

- ✓ Sleek design
- ✓ Usable everywhere
- ✓ Powerful software
- ✓ Integrated SIM card

Nexgo N86

The robust all-rounder

The Nexgo N86 from Payrex is the most robust terminal, complete with a receipt printer. It is ideal for both fixed and mobile use.

- ✓ Robust Design
- ✓ Built-in receipt printer
- ✓ Long battery life
- ✓ Integrated SIM card
