

Kidnap for Ransom

Corporate Safeguard (Crypto)

Corporate Safeguard (Crypto)

The profile and value of the crypto and Web3 sector is growing at an exponential rate, bringing with it huge opportunities, but also threats. Crypto executives and their families have been threatened and targeted for kidnapping and extortion worldwide, with few countries unaffected. Criminals are researching their targets carefully, believing they can extract large ransoms quickly and with few constraints. Samphire Corporate Safeguard helps you develop mitigations, become a harder target, and access expert support before, during and after an incident. Protect your safety, your family, and your wealth through one policy.
