INTERGROUP GLOBAL FORWARDING

OUR COMPANY

OUR STRENGTHS

ACCOUNTABILITY AND SENSE OF URGENCY

We ensure reliability and trust by taking responsibility for our actions and commitments.

OUR PEOPLE, OUR ASSET

Our dedicated team is our greatest strength; we invest in their growth and well-being to serve our clients better.

DIVERSITY AND INCLUSION

Our diverse and inclusive team is the bedrock of our success; we invest in nurturing a workplace that thrives on unique experiences.

TECH POWERED

We embrace technology to improve our efficiency and effectiveness.

FINANCIAL SOLIDITY

We manage our resources responsibly and invest in our future.

SUSTAINABILITY

We're dedicated to sustainability, reducing our environmental impact, and promoting sustainable practices.

GREENING THE WAY WE MOVE DELIVERING A SUSTAINABLE FUTURE

Eco-friendly Practices:

We minimize our carbon footprint through responsible operations.

Efficiency & Innovation:

Our focus on sustainability goes hand in hand with efficient logistics solutions.

Collaboration for Impact:

We partner with organizations that share our vision.

Transparent Reporting:

Accountability is key.

We offer transparent sustainability reporting to showcase our commitment.

Competitive Quality and Sustainability

We deliver exceptional value through quality and sustainability, setting us second to none in the logistics industry.

AZZERO CO₂: FUNDING REFORESTATION TO SECURE A BETTER FUTURE

Azzero CO₂ an Energy Service Company (ESCo) certified under **ISO 11352:2014** is dedicated to guiding businesses toward improved energy efficiency, carbon emission reduction, and effective management of energy efficiency credits.

In collaboration with our trusted partners, we also champion sustainability and social responsibility through nationwide campaigns.

Join us in making a positive impact and unlock exciting marketing opportunities for businesses committed to a greener future.

VISIBILITY

Next-Generation Logistics Management: Introducing CargoWise Neo, a fully web-based, real-time platform seamlessly integrated with CargoWise One

Empowerment Hub:

Modern portal for logistics service providers, connecting with Beneficial Cargo Owners (BCOs).

Efficient Communication:

Central hub for seamless interaction between BCOs and service providers.

WebTracker Replacement:

Upgrading from CargoWise WebTracker, ensuring a more efficient tracking system.

Comprehensive Control:

A unified platform for BCOs' logistics needs, from booking to tracking, invoicing, and more.

Real-Time Risk Management:

BCOs validate data, address compliance, and tackle supply chain risks instantly.

Scalable Efficiency:

An expandable platform adding ongoing labor and cost-saving capabilities.

WHY CHOOSE US?

INNOVATION AT THE CORE

At Integroup, innovation is in our DNA. We continually push the boundaries of what's possible in logistics to provide you with cutting-edge solutions.

COMPETITIVE SOLUTIONS

Our customized solutions, while never compromising quality, remain competitive in the marketplace creating endless growth opportunities for your business.
