

Settling in

Our gentle settling-in plan for new children and their families.

SAMPLE POLICY - replace this file with your own policy in the CMS (Settings > Policies).

Before you start

You meet your child's key person and share their routines, comforts and favourite things.

The first two weeks

Short visits that grow longer each day, with a parent close by at first. We go at your child's pace.

Keeping in touch

We send a photo and a short note after every settling session, and we talk at every pick-up.
