

Protecting Auto Dealerships with Proactive Video Monitoring

Works with your
existing cameras

Set up in minutes

Key Areas We Protect

- Showroom
- Sales Lots
- Service Centers
- Parts Storage
- Employee Parking
- Delivery and Storage

Common Challenges

- Theft and Vandalism**
Stop break-ins, thefts, and illegal activity
- Slow Police Response Times**
Traditional alarms lead to delayed or no response
- Loitering and Trespassing**
Keep unwanted individuals off the lot after hours
- High Security Costs**
On-site guards are expensive and lack coverage

Why Evolon For Auto Dealerships

- Detect Threats in Real Time**
AI identifies suspicious activity before crime happens
- Issue Audio Warnings and Alerts**
Stop trespassers with talk-down deterrence
- Dispatch Law Enforcement Faster**
Verified real threats reduce response delays
- Enhance Security and Lower Costs**
Augment or replace physical security guards
