About US

AIMS Global Consulting Singapore is a premier trade finance and business advisory firm registered in Singapore.

We specialize in connecting corporates with banks and institutions globally, offering tailored financial solutions backed by over 24 years of cross-continental experience.

Mission, Vision & Values

Mission

To be the trusted partner of choice in global and regional trade finance — delivering high-impact financial solutions with speed, expertise, and integrity.

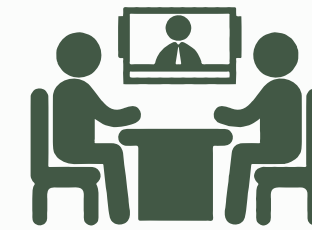

Integrity

We build trust through transparency, professionalism, and uncompromising ethics in every client relationship and financial solution we provide.

Vision

To empower SMEs and mid-sized businesses across ASEAN and emerging markets by unlocking global capital and strategic advisory access traditionally reserved for large corporates.

Collaboration

We work closely with clients, banks, and partners worldwide to co-create value-driven solutions that support long-term growth and success.
