

# Protecting Public Transit with Proactive Monitoring

Q1-2025  
SOLUTION OVERVIEW

Works with your  
**existing cameras**

*Set up in minutes*

24/7 Protection  
with **AI guards**

*30 seconds to action*

Plans to match  
**every budget**

*8X ROI vs physical guards*

## Common Challenges

**Increased need for security protection:**  
Crime at stations, parking lots, and transit vehicles

**Trespassing and Encampments:**  
Loitering, unauthorized entry, and homeless

**Limited Security Personnel:**  
Challenging to monitor every location 24/7

## The Evolon Solution

**AI-powered threat detection:**  
Respond to crime in real time before escalation

**Audio deterrents and alerts:**  
Warn intruders, loiterers, and criminals

**Dispatch security and law enforcement:**  
Verified incidents dispatched for rapid response
