EXPERIENCE

Freelance Product Designer

AUG 15 – PRESENT · REMOTE

Helped multiple B2B & B2C products including Sudowrite, Fina, Capitalyze, Entropay and Ecabs ship anything from small features to end-to-end experiences.

Founding Designer at Detangle

JAN 23 – SEP 23 · REMOTE

Designed multiple 0 → 1 versions of the product from as it pivoted from a B2B tool for querying files to a developer tool. Also involved in designing and building the marketing site using Framer.

Founding Designer at Maybe Finance

JAN 23 – SEP 23 · REMOTE

Took the product from 0 → 1 as the only designer collaborating with a team of engineers on core flows like account addition, onboarding, ask the advisor and plan building for future scenarios.

Senior Product Designer

Maybe Finance

MAR 17 – SEP 21 · SWIEQI, MALTA

Led the effort on kickstarting CUDL, our design system. Helped ship a redesign and delivered multiple flows across the core player journey including the deposit flow, game discovery, compliance, new market launches and seasonal campaigns.

EDUCATION

Bachelor of Science (BSc) Business & IT

University of Malta & VIA University College, Denmark

2013 – 2016
