

Data & Digital Readiness – Preliminary Roadmap

Business Challenge	Business Outcome	Business Change	Business Actions		
			Now	Next	Later
Identify a business challenge or priority that you want to address	Describe what success would look like when you address this challenge.	Describe what will need to change to achieve these outcomes.	What short term actions will you take (0-6m)	What medium term actions will you take (6m-12m)	What longer term actions will you take (12m+)
