experience

Makeitgrow | Intern UI/UX Designer

Oct 2022 – Mar 2023

- Designed a POS Dashboard for a restaurant, streamlining operations, tracking sales, and enhancing the user experience for staff and management.
- Conducted user research and usability tests to gather feedback, helping to refine and improve design decisions.
- Designed wireframes and prototypes to visualize design concepts using Figma and Adobe XD.
- Worked closely with the development team to ensure design feasibility and provide assets.

SpiceTrance | Web Developer

Jan 2022 - July 2022

- Developed the landing page for SpiceTrance, enhancing visual appeal and user experience.
- Utilized HTML, CSS, and JavaScript to build a user-friendly and responsive website.
- Maintained and updated the website to ensure it remained current and relevant.
- Collaborated with designers to implement engaging and cohesive web designs.
- Conducted website performance tests to identify and resolve issues, optimizing load times and user experience.
