Experience

- SwissBorg**
Senior Product Designer 2020 - Present

I am committed to ensuring seamless user experiences and simplifying complex financial concepts. My work focuses on delivering ease and efficiency to our users while adhering to the highest design standards.
- Now Boarding**
Senior Product Designer 2018 - 2023

I specialise in crafting exceptional user experiences characterised by a harmonious blend of aesthetics and functionality. I am dedicated to addressing digital challenges and providing innovative solutions.
- CarZar**
Lead Designer 2016 - 2018

My responsibilities revolve around optimising the browsing experience to create a captivating showcase for vehicles, ultimately driving conversions and enhancing the car selling process.
- Digital Drawing Room**
Lead Designer 2016

During my time as Lead Designer at Digital Drawing Room, I assumed the role of mentor and project lead. I pushed expectations by maintaining meticulous attention to detail, resulting in elevated brand identities and user experiences.
- Vigo**
Digital Designer 2015 - 2016

My role at Vigo involved creating customisable templates that empower users to build websites without any coding knowledge. I took great pride in facilitating a seamless website creation process, ultimately contributing to our users' success.
