

Kavyasri Manukonda

UX/Product Designer | AI-Assisted Design | React Native Collaboration

🌐 kavyamanukonda.framer.website ✉ kavyasrimanukonda@gmail.com 📞 +91-9182687575

With 4+ years of experience creating user-centric web and mobile products for SaaS and Fin Tech platforms. Experienced in AI-assisted design workflows using Claude and ChatGPT to accelerate ideation, prototyping, and React Native UI generation while collaborating closely with developers for efficient design-to-development handoff.

EXPERIENCE

UX Designer - Simply Grow Technologies

Dec 2021 - Sep 2025 | Hyderabad

- Redesigned web and mobile financial advisory platforms (Maxiom Wealth), improving navigation and **resulting in higher engagement and improved usability.**
- Leveraged **AI tools (Claude)** to rapidly generate **React Native UI screens**, accelerating design-to-development workflows.
- Built scalable **design systems and reusable UI components** that reduced design inconsistencies.
- Collaborated with **product managers and developers** to translate requirements into scalable product designs.
- Assisted in **debugging and resolving React Native UI** issues using Cursor AI, improving development efficiency and ensuring design consistency.

UX Designer - Freelance

Oct 2023 - Present | Remote

- Collaborated with startups and small businesses to design B2C products and e-commerce experiences.
- Worked on interfaces like Audit, Branding, Landing Pages, and Mobile Applications.

UX Designer Intern - Homerunn

Jun 2021 - Sep 2021 | Remote

- Led **0 → 1 project** for a property discovery and listing platform, improving usability across key user flows
- Conducted **usability testing and user research** to identify friction points in the buyer-tenant interaction process.
- Designed wireframes and prototypes that simplified the property browsing and inquiry experience.
