

Hello ! I'm

Rahul Kumar Gupta

Lead-UI/UX Designer

About Me

I'm your go-to UI/UX sorcerer, conjuring delightful digital experiences for 3+ years. I swapped compasses for cursors and became a UI/UX Design Lead. My journey from naval architect to digital deckhand was a wild tide-turner. Instead of ships, I'm now leading the navigation of user interfaces, ensuring our designs are smooth sailing for users.

Work Experience

Alphadroid India Pvt. Ltd.

Lead- UI/UX Designer

July-2024 to Present

My journey in design has spanned various robotics projects, significantly enhancing my understanding of technology-driven solutions.

Aeologic Technologies Private Limited
