PROFESSIONAL SUMMARY

Dynamic product designer with a diploma from IIT Roorkee - Intellipaat, skilled in creating user-centric solutions. Background in sales has helped strong communication skills and deep understanding of user needs. Experience working on end-to-end design projects, from research to final UI, with working knowledge of Flutter for cross-platform development.

EXPERIENCE

DIPLOMA IN PRODUCT DESIGN | 05/2025 to 01/2026

IIT Roorkee - Intellipaat, Bengaluru, India

- Created projects end-to-end, from user research and problem framing to final visual design.
- Created user flows, wireframes, and high-fidelity interfaces that prioritized clarity and ease of use.
- Designed solutions that balanced user needs, business goals, and technical constraints.
- Iterated designs based on feedback, real-world considerations, and changing requirements.
- Received design mentorship and feedback from industry designers, including professionals from companies like Samsung and Myntra.

SALES EXECUTIVE | 2024 to 2025

Malappuram, India

- Achieved sales goals and service targets by cultivating and securing new customer relationships.
- Boosted sales revenue by cultivating strong client relationships and implementing effective sales strategies.
- Delivered exceptional customer service, resulting in a high percentage of repeat business and client referrals.
- Demonstrated expert product knowledge during client interactions, addressing questions and concerns confidently.

FLUTTER DEVELOPER | 2023 to 2024

Kozhikode, India

- Learned and worked with Flutter to build cross-platform mobile applications.
- Implemented UI screens using Flutter widgets, focusing on layout, responsiveness, and usability.
- Built small apps and prototypes to understand navigation, state management, and component structure.
- Translated basic design ideas into functional mobile interfaces.
- Gained hands-on experience with mobile UI patterns and performance considerations.

SKILLS

UX & UI Design | User Research & Problem Framing | Wireframing & Prototyping | Interaction Design | Visual Design & Layout | Design Systems (Basics) | Usability & Accessibility Awareness | Cross-functional Collaboration | Flutter (UI Implementation – Basics)

EDUCATION

University of Calicut - kerala, India

Bachelor of Commerce – Finance | 06/2022
