

ACCESSORIES LINE

Catalog of Accessories

Items that complete the workstation — operation,
organization and protection.

WHO WE ARE

Over 41 years building the industry's workstation.

Estamac manufactures its own steel frames and tops, with in-house engineering from start to finish — no middlemen, no outsourced quality.

In-house manufacturing

Steel frames and tops produced in-house, from design to finish.

For dealers and apparel makers

Solutions for sewing machine dealers, apparel makers and industrial companies.

Productivity and ergonomics

Frames designed for the operator's daily work and the pace of production.

Consistency and durability

Consistent quality batch after batch, built to last on the production line.

CATEGORY

Accessories

Items that complete your Estamac table or frame — operation, organization, protection and finishing of the workstation.

RECOMMENDED FOR

Dealers and apparel makers who want to complete or customize their table, adding functionality to the workstation.

BENEFITS

More organization, safety and productivity in daily operation — each accessory solves a specific need.

The right detail makes all the difference at the workstation.

Available accessories

Pedal

Heavy-duty pedal, ideal for high-performance industrial machines.

Foot-lift Pedal

Compact auxiliary pedal for specific workstation functions.

Platform Pedal

Sturdy pedal platform for more operator comfort and stability.

Tie Rod

Connects the pedal to the machine mechanism for precise operation.

Scrap Chute & Funnel

Collects trimmings and waste, keeping the workstation tidy.

Drawer

Accessory drawer with slides, mounted under the top.

Oil Pan

Oil catch tray, for cleaner and safer operation.

Hinges

Mounts the machine to the table with a secure, stable fit.

Motor Guard

Protects the machine motor from impacts and debris during operation.
