

## **Brookmount Gold Corp. (Brookmount Explorations, Inc.) Announces New Investor Relations & Social Media Outreach Platform.**

**Reno NV, November 27 2023** - Brookmount Gold (Brookmount Explorations, Inc.) (OTC: BMXI) (BMXI.US), a gold production and development company, today announced that, in conjunction with a revamping and updating of its own website, the Company is launching a new investor relations and social media platform to improve and streamline information delivery and communication with our stakeholders at all levels. This initiative has been formulated in partnership with a highly experienced Investor Relations and Social Media consulting group and will encompass the following:

**Enhanced Communication:** The new outreach initiative will underscore a commitment to superior communication with our shareholders. The collaboration with our strategic partner will ensure that shareholders and potential investors have access to timely and relevant information, fostering transparency and trust.

**Global Visibility:** The onboarding will significantly enhance Brookmount Gold's online presence. Through strategic internet marketing efforts, the Company is aiming to reach a wider audience globally, increasing awareness of its operations and potential investment opportunities. Monthly online searches for our industry and related topics are in the millions per month. Brookmount Gold is planning to enhance Company visibility and awareness by tapping into this volume.

**Milestone Congregation:** Our new website at <https://brookmountgold.com> will serve as a centralized hub for all corporate information, all marketing efforts including social media sources and upcoming milestones. This consolidation facilitates easy access for stakeholders, allowing them to stay informed about the Company's achievements and future plans. Including scheduled investor conference calls.

**Coordination of Information:** The collaboration ensures streamlined coordination of information. The internet marketing team will work to organize and present corporate updates in a cohesive manner, making it easier for stakeholders to understand the Company's progress and direction.

**Improved Investor Relations:** By investing in internet marketing and a new website, the Company is demonstrating a commitment to investor relations. The initiative aims to provide a user-friendly platform for investors to gather information, ask questions, and engage with the Company, ultimately fostering a positive investor-company relationship.

"We understand the importance of transparency in building trust with our stakeholders," said Nils Ollquist, CEO and Executive Director at Brookmount Gold. "In order to position the Company to fully capitalize on the growth opportunities arising from the next 12 months, we felt it necessary to completely upgrade and streamline our information outreach process and we are confident that, together with our new strategic communications partner, we will increase our global investor profile and presence as a gold production platform."

Founded in 2018, Brookmount Gold is a high-growth gold-producing company incorporated and quoted on OTC Markets in the United States, with operating gold mines in Southeast Asia and exploration and production assets in North America. The Company recently announced the commencement of gold production operations at the Alaskan McArthur Creek property.

Safe Harbor Statements:

Except for the historical information contained herein, certain of the matters discussed in this communication constitute "forward-looking statements" within the meaning of the Securities Litigation Reform Act of 1995. Words such as "may," "might," "will," "should," "could," "anticipate," "estimate," "expect," "predict," "project," "future," "potential," "intend," "seek to," "plan," "assume," "believe," "target," "forecast," "goal," "objective," "construe" or the negative of such terms or other variations thereof and words and terms of similar substance used in connection with any discussion of future plans, actions, or events identify forward-looking statements. These forward-looking statements include, but are not limited to, statements regarding the benefits of the proposed license, expected synergies, anticipated future financial and operating performance and results, including estimates of growth. There are a number of risks and uncertainties that could cause actual results to differ materially from the forward-looking statements included in this communication. For example, the expected timing and likelihood of completion of the pending transaction, including the timing, receipt and terms and conditions of any required governmental and regulatory approvals of the pending transaction that could reduce anticipated benefits or cause the parties to abandon the transaction, the ability to successfully integrate the businesses, the occurrence of any event, change or other circumstance that could give rise to the termination of the negotiations, the risk that the parties may not be able to satisfy the conditions to the proposed transaction in a timely manner or at all, risks related to disruption of management time from ongoing business operations due to the proposed transaction, the risk that any announcements relating to the proposed transaction could have adverse effects on the market price of Brookmount's common stock. All such factors are difficult to predict and are beyond our control. We disclaim and do not undertake any obligation to update or revise any forward-looking statement in this report, except as required by applicable law or regulations.
