Professional Experience

UIUX Design Assistant at Blissbot

2024.07-2024.12 | Blissbot AI Accompany App, Remote

Collaborated on branding visuals, wireframes, and prototypes to ensure a seamless and natural user experience across platforms.

Graphic Designer Internship at Guideswork

2023.08-2023.12 | Guideswork Design Lab, Beijing, China

Produce promotional books for Moonshot Academy. Transform the content and materials into clear and concise promotional books.

Academic Projects

Roam | Jeep Camping Dog Leash

Spring 2026 | 14 weeks

Designed an innovative dog leash system for Jeep, turning deep user research into a functional, rugged solution that ensures pet safety and free during camping journeys.

Zinmo | Random Time Reminder for ADHD

Spring 2025 | 14 weeks

Zinmo is a reminder tool designed to help individuals with ADHD overcome the problem of time blindness. By providing random reminders throughout the day, it helps them re-engage in the practice of perceiving time.
