Blantyre Hotels Plc is one of the leading hotel operators in Malawi, and now you have a chance to invest in our continued growth. By investing, you are not just securing a financial future but also contributing to the development of Malawi's vibrant tourism industry.

2. How do I purchase shares in Blantyre Hotels plc?

It's easier than you think! Simply purchase your shares through any licensed stockbroker in Malawi.

3. Can I participate in the Rights Issue if I am not a shareholder?

Yes, non-shareholders can participate in the Blantyre Hotels Plc Rights Issue! If you are not an existing shareholder, you can still take part by purchasing Rights Entitlements on the secondary market. This gives you an opportunity to invest in the company at a discounted price, just like current shareholders.

4. What is a Rights Entitlement?

Rights Entitlement grants current shareholders the opportunity to buy additional shares at a discounted price, typically before the shares are offered to the general public. As a non-shareholder, you can purchase these entitlements and enjoy the same benefits.

5. What are the requirements to become a shareholder?

Investing in the Stock Market is open to individuals of all ages, institutions, or organizations that want to become part-owners or shareholder of a business. Both local and foreign investors are welcome to participate.

6. Are there any forms I need to fill in?

Yes, there is some paperwork involved.

Shareholders will need to complete a common application form that will come with the details of the rights entitlements for you as a shareholder. These will be sent from your issuer. This application form can be used both by shareholder or renounee.

Applicants can use application form available on the website of the Registrar to the issue or printed forms sourced from the issuer, merchant bankers or registrars to the issue.
