

CODESIGN WORKSHOP

Keep the reasoning visible. Distinguish evidence, interpretation and the decision that follows.

OPEN DECISION

What can participants influence? What is fixed?

PEOPLE & PERSPECTIVES

Whose experience matters, and who is absent?

ACCESS & PREPARATION

Communication, support, recognition and recording choices.

SHARED ARTEFACT

What can participants make, move, challenge or replace?

ACTIVITY & FACILITATION

How will different contributions enter the discussion?

RETURN COMMITMENT

Who will share the next version, how and when?

BELOW THE SURFACE

Keep the reasoning visible. Distinguish evidence, interpretation and the decision that follows.

CONTRIBUTION

Record the proposal without unnecessary personal details.

INTERPRETATION

Check that the synthesis preserves its meaning.

DESIGN RESPONSE

What changes in the proposal because of this contribution?

TENSION OR DISSENT

Whose need is not met? Preserve the disagreement.

DECISION & REASON

What was adopted, deferred or declined, and why?

RESPONSE TO PARTICIPANTS

Owner, route, timing and opportunity to respond.
