

■ MADEHIT – FULL BONUS PACK

■ The Booking Outreach System

This is your step-by-step messaging system to reach promoters, venues, and bookers like a pro.

- Ready-to-use message templates for Instagram DMs and emails (in English and Portuguese).
- Scripts designed to increase replies and make your message stand out.
- Follow-up strategy included – know when to follow up and what to say.
- Bonus: a simple Google Sheet booking tracker to manage contacts, replies, and dates.

This is more than just text — it's a full outreach framework to help you secure more shows.

■ DJ Performance Contract Kit

A clean, editable contract template built specifically for DJs and music performers.

- Provided in both English and Portuguese.
- Includes: event details, artist fee, payment terms, cancellation clauses, and both signature lines.
- Perfect for club gigs, private events, and even festivals.

With this contract, you'll look more professional, protect your fees, and avoid misunderstandings.

■ Quick Guide – How to Use Your DJ Contract

Many artists don't use contracts because they think it's complicated — this quick guide makes it easy.

- A simplified walkthrough explaining how to fill, send, and adapt your contract.
- Tips on when to send it, what to customize, and how to get it signed.
- Examples of how to use it for different types of gigs (club, wedding, festival, etc.).

This bonus gives you confidence and clarity to handle your bookings like a pro.
