Each week…

STEP #1 - **READ**	Read the assigned chapter(s) each day.
STEP #2 – **JOURNAL**	Journal your insights.
STEP #3 - **PRAY**	Pray for God to illuminate the Scriptures. Pray for God to speak to you.

How to get the most out of these next 5 weeks:

1) You will never have time, you must make time.
2) Expect distractions.
3) Don't read for information, but for application.
4) 75% of what you will take from this study will be gotten from your personal study time.
5) Don't cram!!! Do it daily. (Essential for Scripture Memorization)
