

One routine, three useful phrases

One page. A starting point you can change. No sign-up needed.

1. My comfortable starting point

What can I already say without reading?

2. The routine I want to try

When does it happen, and what do I need to communicate?

3. Three meanings to prepare

Meaning / wording in our language / pronunciation source.

4. Who can help me check

A willing speaker, teacher, recording or trusted language resource.

5. My fallback

What will I do when I need more words?

6. Next week's adjustment

What felt useful? What did I wish I could say?
