pt7: Hope of the World (John 11:1-44)

Icebreaker: What is one thing you are currently hoping for in your life, big or small?

- 1) What are some situations in your life where you've felt hopeless? How did you respond, and where did you find hope?
- 2) Jesus delayed coming to Lazarus for two days, even though He loved him deeply (11:5-6). Have you ever experienced a time when it felt like God was delaying in answering your prayers? How did that affect your faith?
- 3) Jesus declares, "I am the resurrection and the life." (11:25) What does this statement mean to you personally? How does it shape your perspective on challenges or suffering?
- 4) Martha expressed her faith by saying, "Yes Lord, I believe" (11:27). What areas of your life require a deeper trust in Jesus as the resurrection and the life?
- 5) In verse 43, Jesus commanded Lazarus to come out of the tomb, and others were instructed to remove his grave clothes. Are there "grave clothes" (old habits, sins, or doubts) that you need to let go of? How can others help you in this process?
- 6) Pastor Stephen shared that the story of Lazarus points to Jesus' mission of bringing people from death to life. How can we participate in this mission in our daily lives, as individuals or as a group?
- 7) Reflecting on global missions like those in Indonesia, how can your group support missionaries or ministries bringing hope to Unreached People Groups?
- 8) We are encouraged to invite others to Easter service. Who will you commit to inviting this week? How can the group pray for these individuals?
