

# Shaig Allahyarli

## PRODUCT DESIGNER

I am a driven and passionate designer who enjoys being involved in all steps of the product lifecycle. I use design thinking and different parts of the product design process to deliver the best digital product on the market.

## WORK EXPERIENCE

### Product Designer / FS Code

DEC 2023 - JUN 2024 / Full-time / Baku, Azerbaijan

- Crafted intuitive user experiences for a WordPress plugin through user-centered design principles.
- Designed and refined key UI elements critical to optimal user interaction.
- Stayed updated on industry trends, driving innovation in product design.

### Product Designer / Chatdodo

DEC 2022 - NOV 2023 / Full-time / Baku, Azerbaijan

- Ensured user-centered design principles were embedded throughout the design process, resulting in intuitive and engaging user experiences.
- Designed and refined key UI elements and tools critical to optimal user interaction, including navigation menus, search boxes, tabs, and widgets.
- Stayed abreast of industry trends, emerging technologies, and best practices in AI and Chatbot design. Continuously sought opportunities to innovate and apply cutting-edge design concepts to enhance user experiences.

### Product Designer / BLGN Marketing

MAR 2022 - SEP 2023 / Remote / United States

- Developing and conceptualizing a comprehensive UI/UX design strategy for the brands.
- Producing high-quality UX design solutions through wireframes, visual and graphic designs, flow diagrams, storyboards, site maps, and prototypes.
- Designing UI elements and tools such as navigation menus, search boxes, tabs, and widgets for our digital assets.
- Analyzing UI elements for instance, CTAs, banners, page layouts, page flows, page designs, and target links for landing pages.

### UI/UX Designer / Marcom

FEB 2021 - MAR 2022 / Full-time / Baku, Azerbaijan

- Describe common UX research methods.
- Empathize with users to understand their needs and pain points.
- Develop problem statements to define user needs.
- Generate ideas for possible solutions to user problems.

### Product Designer / Upwork

NOV 2018 - PRESENT

- Create storyboards to come up with ideas about solutions to user needs.
- Create wireframes on paper and digitally in the design tool Figma.
- Build paper prototypes to create interactive designs.
- Design low&high-fidelity prototypes in Figma.
