

NDC: Why should you care?

- Greater choice & transparency
- More flight options
- Bundles and offers
- Clear, transparent booking

So what is NDC?

NDC is a new way airlines share fares with us - giving you access to better options and pricing.

Corporate Traveller's approach to **NDC**

Business ready NDC: tested and reliable, without the complexity

NDC fares you can count on

The fares you expect, plus more – all in one place

Clearer picture of spend upfront

Peace of mind - we only switch things on once they work

Trusted guidance backed by industry expertise

Ahead of the changes - we're part of airline conversations, sharing SME needs

Handled by people who know your business

Backed by strong airline relationships

Tested before you see it & book it

Proven in real booking flows before you get it

Rolled out with care, step by step

End-to-end checks - search, payment, changes, cancellations
