# WAR ROOM

One day. One room. 5 entrepreneurs who deliver.

---

The War Room is an exclusive one-day community gathering at Panorama Hotel by Verdi. 5 entrepreneurs from the Agency, SaaS, E-Commerce, and Info spaces come together at one table — to connect, to get real insight into each other's businesses, and to move forward with concrete next steps.

## FROM LATE MORNING TO EARLY MORNING

- **CHECK-IN**  
Check into your room, settle in.
- **GYM / POOL SESSION**  
First introductions — train together, connect, arrive.
- **LUNCH**  
Order whatever you like via Foodora/Wolt — from steak to pasta, it's all on the table.
- **DEEP WORK SESSION I – WORKSHOP**  
Filip runs a workshop tailored to every single business in the room.
- **DEEP WORK SESSION II – PAIN POINTS**  
Concrete pain points are named, and improvements and help are worked out on the spot.
- **DINNER, POOL & TRAINING**  
Winding down together — food, pool, training.
- **OVERNIGHT STAY**  
At Panorama Hotel by Verdi.
- **BREAKFAST & CHECK-OUT**  
A shared start to the next day, then departure.
