

# GRACE GOUDREAU

## USER EXPERIENCE DESIGNER

331.222.6175 | GOUDREAUGRACE@GMAIL.COM | [WWW.GRACEGOUDREAU.COM](http://WWW.GRACEGOUDREAU.COM)

### ABOUT ME

I transform business requirements into impactful designs by combining user experience research, design, and modern user interface techniques.

### EDUCATION

#### BACHELOR OF SCIENCE IN UX DESIGN, MINOR IN DESIGN & INNOVATION

Purdue University, 2020 – 2024

- GPA: 3.55

### EXPERIENCE

#### PEPSICO | UX DESIGNER

Chicago, IL, July 2024 – present

- Designed supply chain operations insights dashboards to improve data visibility and streamline business decisions
- Developed a comprehensive component library, accelerating design consistency and enabling efficient, reusable elements across workflows
- Crafted interactive Figma prototypes to simulate how the design would function to accelerate feedback and reduce rework during the development and testing process

#### WEST MONROE | PRODUCT DESIGN INTERN

Chicago, IL, May 2023 – Aug 2023

- Collaborated closely with the design lead to craft intuitive mobile and desktop interfaces through meticulous design and prototyping efforts
- Enhanced the application's user experience by adeptly translating client requirements, business objectives, and technical constraints into actionable design solutions

#### ENVELOPIQ | UX DESIGN INTERN

Indianapolis, IN, June 2022 – Aug 2022

- Transformed EnvelopiQ's design approach and client readiness by introducing UX methods & artifacts to enhance current design practices
- Successfully researched & delivered essential UX artifacts to external clients, providing critical visual context that significantly enhanced project understanding and decision-making processes

### SKILLS

- Figma
- Design Thinking
- User Research
- Critical Thinking
- User Experience Design
- Prototyping
- Problem Solving
- Desire to Learn
- Communication
