“One of the things that makes Beck Center so special is that many of the people who teach, support, and inspire our community are artists themselves. The Faculty & Staff Exhibition offers a chance to see the creativity that exists beyond the classroom, studio, and office, showcasing a wide range of artistic styles, mediums, and perspectives. We are excited to share the personal work of the talented individuals who help make Beck Center such a vibrant and creative place, and to invite our community to connect with them in a new way,” shares Jamie Richey, Associate Director of Visual Arts.

Special thanks to The Harry K. Fox and Emma R. Fox Charitable Foundation for their generous support.
