SUPPLY CHAIN & PROCUREMENT CONFERENCE

Sponsorship Guide for the Supply Chain & Procurement Conference

 April 21–22, 2025

 Sheraton Hotel, Dammam

 9:00 AM - 4:00 PM

“We, with the help of Allah, continue to invest in implementing initiatives and economic reforms to achieve the goals of the Kingdom’s Vision 2030, ensuring continuous improvement in the quality of life and optimal utilization of available resources. We aim to enhance transparency, efficiency, and the quality of government spending to boost growth and development rates, improve public facilities and basic services for citizens and residents, develop the educational environment, and support housing plans.”

”

Custodian of the Two Holy Mosques
King Salman bin Abdulaziz Al Saud

”

"We commit to being among the best countries in the world in effective governmental performance to serve its citizens. Together, we will continue building our nation to be what we all aspire: prosperous and thriving, firmly established on the strength of its people and their accomplishments."

“

**His Royal Highness Crown Prince
Mohammed bin Salman bin Abdulaziz**

Crown Prince, Prime Minister, and Chairman of the
Council of Economic and Development Affairs

Take Your Place

At the Forefront of Industrial Sustainability Under the patronage of His Excellency the Minister of Industry and Mineral Resources

The Supply Chain and Procurement Conference, under the patronage of His Excellency the Minister of Industry and Mineral Resources, Mr. Bandar bin Ibrahim Al-Khorayef

will provide an opportunity for experts and decision-makers from various sectors to discuss the latest trends and challenges in the field of supply chains.

The conference aims to enhance cooperation between companies and suppliers, exchange knowledge about technological innovations, and explore opportunities to improve logistical processes. It will also feature interactive discussions focused on discovering sustainable solutions and identifying procurement strategies.

Supply Chain and Procurement Conference

The conference and exhibition are among the most important gatherings for professionals in the supply chain and procurement sector in the Kingdom of Saudi Arabia. Organized by the Saudi Supply Chain and Procurement Association, in partnership with leading companies, the first edition is scheduled for April 2025. It will focus on future trends in supply chain and procurement in the Kingdom, including panel discussions featuring industry practitioners. The event will also include an exhibition showcasing practical and operational applications in the field.
