PROFILE

03

UI/UX Designer with love for visual design and proven experience through my work as both a freelancer and junior designer. Even though I might be lacking the years of experience I make up for it in my time as I have created logos, designed websites, worked in teams and provided quality products for the end users and attendants.

EXPERIENCE

04

2024 - Present

UI/UX Designer - MyTeam

- Worked on the product development of MyTeam App in both mobile and desktop versions by helping with UI and UX improvements to achieve better usability.
- Created Personas, user journeys and runned usability testings.
- Worked on team logos, graphic design work such as creating posts for isocial media and blogs.
- Improved the web app and increased user satisfaction.

2023 - 2024

UI Designer - DOPE Studio

- Worked independently on multiple projects and the use of new tools such as Adobe XD and adapted quickly in a fast paced enviroment.
- Worked in a team and helped manage and deliver big projects.
- Designed pixel perfect designs meeting high standards and delivered on time for the clients.
- Edited images, designed icons, helped other coworkers with tasks beside my own.

2023 - Present

UI/UX Designer - PiNet Digital Media

- Working close with developers on multiple website designs using bootstrap.
- Helped deliver projects fast in a tight schedule.

VOLUNTEER EXPERIENCE

05

2022 - Present

WordCamp Europe 2023/24, Design Team

Responsible for designing multiple projects and assets for the event.

2022 - 2023

GDSC Core Team Member

Volunteering as a designer, helping the team with design-based tasks such as creating posts for social media, banners for presentations, and various announcements.
