

Cait Ambross

ABOUT ME

Hey there! I'm Cait Ambross I am currently studying at Vega School of Brand, doing my Masters in Creative Brand Leadership. For me the most important part of my creative journey is being able to explore and play to feed my creative soul. I love challenges and love to learn new things. I have two years industry experience as a multimedia designer in agency and have worked with a variety of South African Brands creating fun and exciting visuals that correlate to their brand essence.
