Experiences as Unique as the Individual

We offer much more than a funeral. It is a unique, complete approach to funeral planning that honors and celebrates the life of your loved one. Whether we're prearranging a funeral, planning a life celebration, or helping you choose permanent memorialization, we can combine a variety of products, services, and options that transform traditional funerals into one-of-a-kind themed celebrations, making beautiful memories that last a lifetime. Let our experienced memorial planners create a personalized life celebration that captures your loved one's life and legacy.

You may wish to add some of these enhancements to allow family and friends to truly celebrate your loved one's life with meaning.

CELEBRATION/RECEPTION

Tell us about your loved one. We'll create a celebration or reception that captures their passions and personality, blending technology with personal touches to create an unforgettable experience. We design a menu for your guests and budget, and professional caterers will deliver a perfect reception. Let us handle the details while you enjoy a delicious meal and the company of your loved ones.

CERTIFIED CELEBRANTS

Think of our certified celebrants as master storytellers. They meet with you and learn about your loved one during a "story telling hour." Then they will design and lead a meaningful, personalized memorial tribute. No two tributes are the same because each service is as unique as your loved one's life.

SECURE WEB BROADCAST OF SERVICE

When guests cannot attend in person, we bring the memorial service to them via our private internet live stream. It is the ideal solution for friends and family members who are serving our country overseas, too ill to travel, have young children, or cannot get away from work.

MILITARY HONORS

We are proud to honor our nation's veterans and first responders with the respect they deserve. We can arrange for special military observances, including a color guard, musicians, gun salute, or flyover. We also help veterans and their families access burial benefits for burial, cremation, and funeral expenses.

MEMORIAL TRIBUTES

MEMORIAL JEWELRY

Memorial jewelry comes in an array of precious metal pendants, charms, rings, and keepsakes for men and women. These customized pieces offer a high-quality, precious metal jewelry with your loved one's photo, handwriting, cremated remains, or lock of hair. It is a beautiful way to honor someone special.

FINGERPRINT KEEPSAKES

Nothing is more unique than a fingerprint. These three-dimensional replicas in precious metals are created from your loved one's digital fingerprint. The surface of each piece invites touch; the engraved backside records a name and date or special message. You can choose from charms, cuff links, earrings, and key-fobs. Fingerprint keepsakes are a beautiful connection to your loved one.

DNA PRESERVATION

DNA preservation securely stores your loved one's genetic identity for generations to come. Unlike cremated remains, hair, or other traditional keepsake items, DNA contains an individual's entire genetic "blueprint" for a connection that lasts forever. This sleek, sealed genetic capsule contains and protects valuable information about your family roots that generations will appreciate.

SOLIDIFIED REMAINS

Solidified remains transforms your loved one's cremated remains into beautiful stone spheres. Each stone is unique in color and hue. Safe to hold, store, display, or scatter, solidified remains are a touchable, elegant alternative to traditional cremated remains. They are ideal for large families who each want a touchstone to someone special.

TRIBUTE BLANKETS

Many families take comfort in creating soft, warm tribute blankets. Select up to five of your favorite photos and up to three lines of custom text, and choose from any of our hundreds of beautiful backgrounds. Tribute blankets will be there to comfort your loved ones with cozy warmth that feels like a hug.

PRECIOUS STONES

Precious stones are a dazzling diamond created by compressing cremated remains under great pressure. Just like your loved one, these beautiful precious stones are one-of-a-kind. These diamonds and stones can be mounted on rings and pendants for men and women
in a wide range of sizes, styles, colors, and precious metal settings. Love lasts forever and so do these commemorative gems.
