# NEO Q

Neo Q redefines convenience with its innovative all-in-one design that combines high-quality water and coffee services in a single compact machine. Ideal for locations needing to optimize space without sacrificing service quality, Neo Q is a revolutionary addition to any commercial setting.

## MACHINE FEATURES

### EFFICIENT DESIGN

Neo Q integrates both water and coffee functionalities, reducing the need for multiple machines and minimising equipment investment and space requirements.

### ADVANCED BREWING TECHNOLOGY

Equipped with the versatile V10, V20, V30 espresso groups and the option for double bean hoppers, Neo Q offers a broad range of espresso-based drinks, ensuring every preference is catered to.

### HIGH CAPACITY

Capable of delivering up to 1,500 cups, this machine is designed to handle high traffic effortlessly, significantly reducing refill visits and maintenance.

### USER-FRIENDLY INTERFACE

A 21.5" full HD touchscreen provides a user-friendly experience, allowing easy customization of drinks and machine settings. The interface is also equipped with customizable LED lighting to enhance the visual appeal.

## BEST FOR INDUSTRIES IN

### CORPORATE OFFICES

Enhances office pantries by providing employees with quick access to quality coffee and water.

### FACTORY/WORKSHOP ENVIRONMENTS

The Neo Q a practical and efficient choice for factory settings and large shopfloors, where a reliable, high-capacity, and easy-to-use beverage system can significantly enhance the work environment and employee satisfaction.

## WHY CHOOSE THIS MACHINE?

### BOOST YOUR COMPANY BRAND

This machine allows you to modify the screen with customizable bespoke branding. Any marketing departments' dream!

### COST-EFFECTIVE

Reduces the overall operational costs by combining two services into one machine, lowering energy use, and decreasing maintenance frequency.

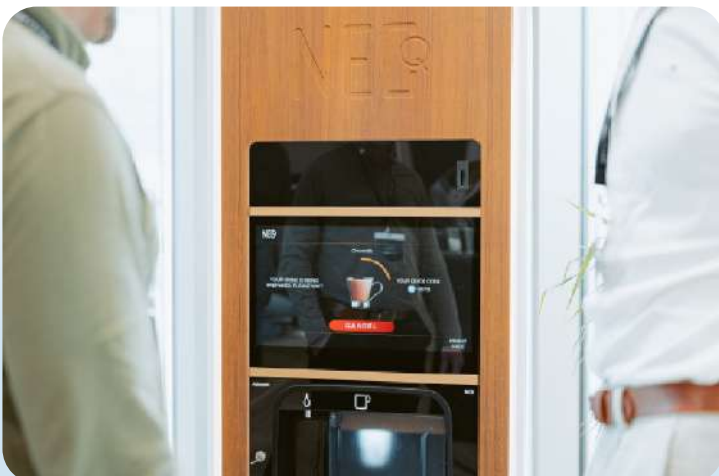

### CUSTOMISATION AND FLEXIBILITY

Offers extensive drink customizations through its advanced espresso unit and multiple hoppers, adapting easily to different consumer tastes.

## MACHINE DIMENSIONS

695mm x 1830mm x 750mm
