PROGRAM OVERVIEW

This free five-day financial literacy program helps participants understand the essential principles of personal finance, including money mindset, budgeting, debt management, financial protection, investment basics, capital markets and long-term wealth planning. The course is structured in a simple day-wise format so learners can build knowledge step by step and apply it to their own financial decisions.

DAY-WISE CURRICULUM

1

Money Mindset, Income, Saving and Budgeting

2

Debt Management, Emergency Fund and Financial Protection

3

Investment Basics and Asset Classes

4

Capital Market, Fundamental and Technical Analysis Basics

5

Wealth Plan, Risk Management, Fraud Protection and Action Plan

CERTIFICATE OF COMPLETION

Participants who complete all five recorded sessions will receive a Certificate of Completion from Universal Citizens' Financial Literacy Movement.
