EXCHANGE

Online. Anytime.

Can't make a game? Let us know 48 hours before game time and we'll exchange tickets for a later date that works better for you. We recommend making any exchanges at least two weeks before your preferred game for more seating options.

Any exchanges must be done within the current regular season. Tickets cannot be moved or credited for playoff games or the following season.

The best way to bank your tickets is to fill out the form on FlockFinatics.com.

Purchase Additional Tickets

Additional tickets are available at the full rate – Club Level or Lower Level. Our team will do our best to place these tickets near your seats, or move your seats so all tickets can be placed together. The earlier you purchase additional tickets, the better seating selection available.

School Education Days

Our two Wednesday School Education Day Games (Nov. 18 and Dec. 2) are not included in Full Season Ticket Plans. Instead, vouchers are included in your plan and can be used for another game this season. To redeem, please contact the ticket office at 419-725-9255.
