

Moseley Youth Sports Association – Income-Based Registrations

Your income level should never be a barrier to participation.

At MYSA, we believe that every child deserves the opportunity to experience the benefits of playing competitive sports. With our income-based registration program, your children can enjoy the sports they love at a price that fits your family's financial situation.

No matter what sport your child chooses, MYSA offers financial assistance to qualifying families. Using our Income-Based Rate Scale, your registration fees may be reduced based on your household's annual income. Financial assistance is available for families earning less than \$75,000 per household per year.

Please note: Discounts on registrations may take up to 7 days to process. Each season, you will be required to provide proof of income to be eligible for the adjusted rate.

Steps to Apply:

- Complete the Income-Based Registration Form – Choose your income level based on total household earnings.
- Select the Sport – Choose from our available sports (basketball, football, cheerleading, etc.).
- Upload Supporting Documents – Submit the necessary proof of income.
- Receive Your Promo Code – Within 7 days, a promo code will be issued based on the MYSA Discount Matrix.
- Complete Registration – Use the promo code when completing your registration.

Need More Assistance?

MYSA is committed to providing access to our sports programs for individuals and families who want to participate, regardless of their ability to pay the standard fees. Financial assistance will be granted based on financial need.

If you require more assistance beyond the discounts listed above, please download our Financial Assistance Worksheet to see the additional information needed to get started.

MYSA Discount Matrix:

Annual Household Income	Discount Rate
\$65,000 - \$74,999	15% discount
