HAVANA

Romeo y Julieta Mini

●○○○ *Light • 3¼" • 20 ring gauge • c. 10 minutes*

A slim Cuban cigarillo from one of Havana's most famous houses. Mild, smooth and quick to enjoy — ideal for a short break or a first cigar. Pairs with an espresso, lager or a glass of port.

Romeo y Julieta No.3

●●○○ *Medium • 4½" • 40 ring gauge • 20–25 minutes*

A Havana classic in a tube, bigger than its name suggests. Elegant and rewarding, with a medium body and just enough length to sit back and relax. Pairs with a beer, white wine or a single malt.

Montecristo Petit Tubos

●●●○ *Medium to full • 5½" • 42 ring gauge • c. 30 minutes*

The legendary Montecristo No.4 in a cedar-lined aluminium tube — arguably the world's best-known Havana. Rich and characterful, the boldest smoke on our list. Pairs with a beer, red wine or a gin & tonic.

NICARAGUA

La Invicta Robusto

●●○○ *Medium • 5" • 50 ring gauge • 30–40 minutes*

Handmade in Nicaragua in the most popular modern size. The fuller ring gauge brings out spicy, earthy notes and a cool, generous smoke — one to linger over. Pairs with a stout, bourbon or a Rob Roy.
