

LIFE GROUP QUESTIONS

Pastor Dustin Lang

Part 4: Ecclesiology

- 1) Ice Breaker – Share one way your view of God has changed or been reestablished in this season.
- 2) Read Ephesians 5:25-27. Discuss what these verses reveal about God’s heart for the church.
- 3) Does your love for the church match God’s? If not, what steps can you take to grow your care for the church?
- 4) The Greek word for church is *ekklesia*. It can be broken up into two parts that mean “out of” and “to call.” In other words, the church is a group that has been “called out.” We’ve been called out *by God, to God, and for God*. Read 1 Peter 2:9 and discuss where you see these three elements of being “called out.”
- 5) If God has “chosen” to save you, how does this affect your view of Him?
- 6) God hasn’t only saved us, He has also called us to be “a people for his own possession.” Other passages describe God’s heart for us through the concept of adoption. Are there ways you have lost sight of God’s fatherly love for you? If so, how can you live more fully in your identity as an adopted son or daughter?
- 7) God’s ultimate purpose in saving and adopting us is that we would share with others about how good and excellent He is. End your life group time by praying through how you can do that this upcoming week.

Lastly, the season of Advent is coming soon. How is God leading you to be a part of spreading His hope, peace, and love?
