FINALIST

Get a Room

Inset white-lacquer handles and black-and-white python from Osborne & Little lend interest to this custom cerused-oak bar cabinet.

FINALIST

Hubbardton Forge

Inspired by the many pleasures of its namesake season—gentle breezes, sunshine, and soaring box kites—the Arts & Crafts-style Summer LED pendant sports a rectilinear frame with textured panes of either glass or aluminum.

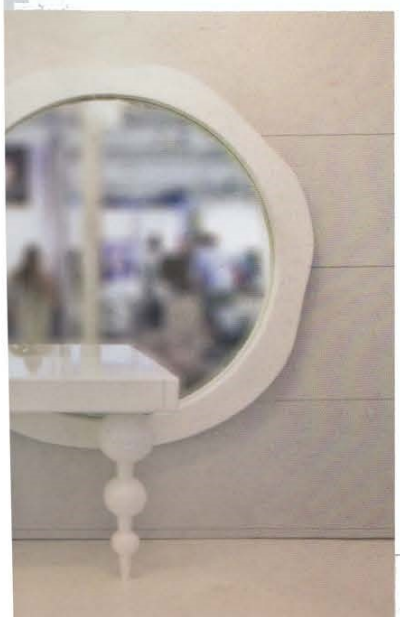

READERS' CHOICE WINNER!

FINALIST

Farrago Design

Recalling the shape of the percussion drum it takes its name from, the Tabla table is hand-crafted in India from bone and wood.

FINALIST

Weitzner

Made from the pulp of abaca and kozo plants, the weblike, chevron-pattern Ives wall covering is available in matte ivory and navy, as well as metallic silver.
