PHOTO PERMISSION

Jonny's Snakes

A simple choice to share your encounter. One form per adult or per child.

Person pictured (adult or child)

Event date and location

Photos covered: file names, photo numbers, or a clear description

Attach thumbnails or a photo list if needed. This permission covers only the photos identified above.

1. What I am agreeing to

I give Jonny's Snakes and VIBEWAVE, acting as Jonny's website provider, permission to display the identified photos of me (or the child named above) on Jonny's website and hub, including vibewave.studio/jonnys-snakes and vibewave.studio/jonny-snakes, to promote Jonny's reptile experiences.

Optional additional uses - leave unchecked if you do not agree:

- ☐ Jonny's social media
- ☐ Paid ads and printed promotions for Jonny

Photos may be cropped, resized, color-corrected, or blurred, without misleading changes. My name or social handle will not be published without separate permission. I understand this is voluntary and unpaid; declining will not affect my experience.

I may withdraw permission for future use by emailing jonnysnakess@gmail.com and identifying the photos. Jonny and VIBEWAVE will remove them from channels they control within 30 days. Copies already shared by others or printed materials already distributed may remain.

2. Who is signing

- ☐ I am the person pictured and am 18 or older.
- ☐ I am the parent/legal guardian authorized to consent for this child.

Signer name

Relationship to child, if applicable

Email or phone (for photo questions only; not marketing)

Signature (sign by hand or with a PDF signing tool)

Date

This is photo permission only, not an animal-handling or injury waiver. Jonny must also have the photographer/copyright owner's permission and permission for each identifiable person. Keep this signed form with the matching photos.
