

# Explore our cleaning Checklist A.

## Kitchen, Pantry & Laundry

Grease removed. Surfaces reset.

**Vents:** Dust and wipe the exhaust cover.

**Upper cabinets:** Wipe door fronts/back, top edges, handles, hinges, and shelves.

**Lower cabinets:** Wipe doors and drawers, edges, runners, and kickboards.

**Pantry:** Clean shelves, vertical panels, base, light area, and door seal.

**Splashback:** Clean tiles/glass/steel and detail along edges.

**Sink & drain:** Clean bowl, rim, drainer, strainer, and overflow area.

**Mixer/tap:** Wipe body, base, and spout for a polished finish.

**Under-sink cabinet:** Wipe base, pipe cut-outs, and valve area.

**Cooktop:** Clean burner caps/controls (gas) or glass top/edges/controls (induction).

## Bathrooms, Ensuites & Toilets

Scale cleared. Fixtures sanitised.

**Shower glass:** Descale minerals inside/out, including edges and hinges.

**Shower head & rail:** Dust and wipe to remove residue and splashes.

**Mixer/taps:** Wipe body, base, and spout; finish dry.

**Vanity & basin:** Clean surface, overflow, waste area, and plug.

**Cupboards/drawers:** Clean inside/out and wipe handles.

**Toilet cistern/buttons:** Wipe top, sides, and buttons.

**Toilet seat/hinges:** Clean top/underside and hinge posts/caps.

**Toilet bowl:** Clean and disinfect rim, base, and behind the bowl.

**Bath:** Clean rim, interior, spout, overflow, and waste.

**Accessories:** Wipe towel rails, rings, hooks, and holders.

## Rooms, Floors & Carpets

Presentation restored. Marks reduced.

**Wardrobes/robes:** Clean doors, mirrors, shelves, rails, and wardrobe floor.

**Painted walls:** Remove cobwebs and spot-clean taped marks (within agreed limit).

**Mirrors/panels:** Clean both sides where safe; dry edges to prevent streaks.

**Ceilings:** Remove cobwebs and dust for a cleaner "top-down" finish.

**Light-facing surfaces:** Wipe visible dust where reachable and safe.

**Touch-points (general):** Wipe obvious grime on commonly handled surfaces.

**Corners/edges:** Detail along edges where build-up is visible.

**Final reset:** Remove loose debris so rooms read "move-out ready."

## Windows & Treatments

Streak-free finish. Proof captured.

**Windows (glass):** Clean internal panes until clear and smear-free.

**Windows (frames/sills):** Vacuum dust, then wipe all surfaces.

**Split system:** Wipe casing and louvres; clean washable filters if accessible.

**Cobweb sweep:** Property-wide web removal for a cleaner overall look.

**Before photos:** Wide and detail shots per room before finishing.

**After photos:** Matching wide/detail shots per room after completion.

**Invoice/keys:** Issue and verify handover details.

## General Area

Common areas and extras on request.

**Carpets:** Vacuum edges and open areas, ( If included - Steam Clean or Shampoo )

**Wall-spot record:** Photo record of taped spots addressed (within agreed limit).

**Hard floors:** Vacuum, then neutral mop; dry streak-free.

**Stairs:** Vacuum, then neutral mop; dry to an even finish.

**Skirtings/architraves:** Vacuum first, then wipe full length for a sharp edge-line.

Exterior Windows: Front and back windows (If included and accessible)
