

INTELLIGENT TURNKEY SOLUTIONS

BLUESF

STEEL PRODUCTS CATALOGUE

2026 – 2027

Four Core Commitments

4

Our supply framework is built around four core commitments designed to maximise project value and insulate your supply chain:

- **Market Intelligence:** Elevating spend visibility to unlock strategic sourcing opportunities.
- **Cost Optimisation:** Driving bottom-line savings through direct negotiation and waste reduction.
- **Delivery Certainty:** Safeguarding project timelines through precision delivery scheduling.
- **Uncompromising Quality:** Guaranteeing premium, fully compliant products delivered on time at optimal price points.

100% focused on Zero Delays & Total Certainty.

100% Australian owned and operated, BlueSF is a tier-one supply partner delivering high-quality grating, handrail systems, steel flooring, reinforcement, structural sections, and non-complex fabrication.

Purpose-built for procurement efficiency, we combine decades of industry expertise with agile sourcing strategies to optimise your supply chain.

We partner with commercial, infrastructure, mining, industrial, energy, and fabrication sectors nationwide to eliminate lead-time uncertainty, guarantee material compliance, and maximise project margins.

OUR SUPPLY CAPABILITIES

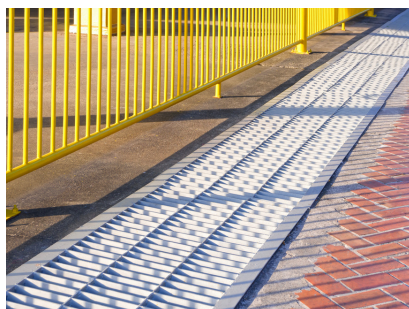

**Source smarter, build better:
Premium supply options for every project.**

Source supply partners with complete confidence

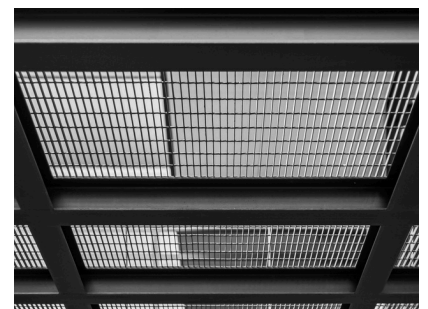

Reinforcement

Reduced embedded carbon

Civil

Steel drainage grates
Steel custom civil products

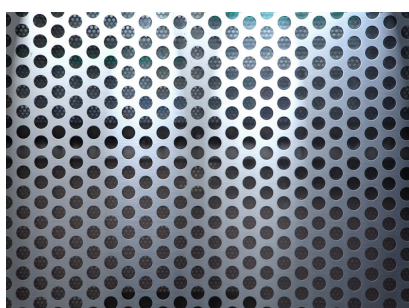

Gratings

Mild steel & FRP gratings
under mesh fall prevention

Stairs & Handrails

Steel & FRP Handrails
Stairs & Treads
Ladders

Panels

Perforated metal panels
Expanded metal mesh
panels

Steel

Supply of fabricated and
non fabricated steel
sections

TURNKEY SOLUTIONS

Plant decks

Data Centers & industrial buildings:

- Fabricated steel.
- Gratings.
- Handrails.
- Access ladders.
- Screening.

We know precisely how and where our products drive maximum value for client projects.

Screens and panels

Bridges, carpark and security:

- Fabricated steel posts & frames.
- Handrails.
- Maintenance access.
- Perforated or mesh screening.

By integrating top-tier products, we deliver exceptional quality and maximum cost-efficiency.

Tunnel fit outs

Rail & Road:

- Fabricated steel and frames.
- Walkway plate.
- Handrails.
- Access ladders.
