TUESDAY, DECEMBER 8TH

5:00 P.M. • CASONA LAWN

CHRISTMAS LIGHTING CELEBRATION

On December 8, gather at Casona Lawn as we welcome the festive season with the lighting of our Christmas tree. A celebration of growing together, giving thanks, and sharing with our community, the evening comes to life with Christmas carols performed by Creciendo Juntos and a meaningful moment of gratitude.

Together, we will leave our Footprints of Gratitude, sharing messages of appreciation that become part of the celebration and reflect the connections we have created throughout the year.

In the spirit of giving, we will also come together to support the children in our local community through a special gift collection for children ages 4 to 12.

Guests are warmly invited to bring a new, unwrapped gift and help us extend the joy, wonder, and magic of the season beyond Nekajui. Because the most meaningful celebrations are those we share, and the greatest gifts are the ones that create a little more happiness for someone else.
