

DIGITAL CVI REQUIREMENTS ARE HERE — IS YOUR PRACTICE READY?

~~FREE~~
WILL COST
YOU MORE.

Illinois. Minnesota. Ohio. Texas. All require digital CVIs, with more states transitioning every month. When your state goes digital, **the tool you choose matters.**

THE GVL DIFFERENCE

STOP DOING COMPLIANCE THE
HARD WAY

See how switching to GVL transforms day-to-day workflow for veterinary clinics.

GLOBALVETLINK

FREE TOOLS

AT THE BORDER Scan. Confirmed. Go. Officials verify GVL documents instantly — no holdups, no delays	AT THE BORDER Can't verify that PDF Officials turn animals away when they can't authenticate your document
COMPLIANCE Built to spec, always GVL works directly with state requirements — every rule handled	COMPLIANCE Maybe compliant? Free tools don't track state rule changes — you carry the liability
REAL COST Done in minutes Exam to delivery in one workflow — no assembly required	REAL COST Hours of workarounds Staff time stitching tools together adds up fast
NEXT STATE GOES DIGITAL Already ready One platform, all 50 states — GVL grows with every new mandate	NEXT STATE GOES DIGITAL Start over again Patchwork of tools means re-learning the process every time

11,000+ VETERINARY CLINICS	2M+ CERTIFICATES ISSUED ANNUALLY	180M+ ANIMALS SERVED ANNUALLY	26+ YEARS OF ANIMAL HEALTH COMPLIANCE
