Themes: **Bingo, Classic, American.**

Classic Bingo combines the familiarity of *American Bingo* with a modern and dynamic experience. Featuring four **5x5 cards**, uses the traditional **75-ball format** to deliver a recognizable and dynamic structure. **Different patterns** expand the possibilities of completing the cards and winning prizes. The **Extra Balls** feature extends the round and creates new opportunities to achieve additional wins. Each ball can change the course of the game: the next win is only one number away.
