**Student Tuition Schedule for
2026-2027**

BASECAMP

At Basecamp, students are placed into learning pathways based on their academic readiness, confidence, learning habits, and long-term goals.

Our programs are designed to help students develop stronger academic systems, independent learning skills, and the confidence to perform at a higher level over time.

Basecamp combines personalized academics, small-group guidance, and structured accountability within an environment designed to help students grow both academically and personally.

Foundation

For students developing stronger academic habits, consistency, and confidence.

Program Includes

- 8 guided learning blocks monthly
- Personalized academic planning
- Small-group learning environment
- Progress communication
- Independent learning development

Tuition: \$440/month

Momentum

For students working toward multiple learning goals, accelerated academic growth, or expanded subject support.

Program Structure

- 12 guided learning blocks monthly
- Personalized academic planning
- Small-group learning environment
- Progress communication
- Independent learning development

Tuition: \$660/month

BASECAMP

Summit

For students pursuing advanced academic performance, ambitious growth goals, or high levels of individualized support across multiple areas.

Program Includes

- 16 guided learning blocks monthly
- High-accountability academic environment
- Advanced academic planning
- Increased mentorship and support

Tuition: \$880/month

Life Skills Club

Students may additionally participate in Basecamp's Life Skills Club, designed to help students build confidence, communication skills, leadership, and real-world problem-solving abilities through structured workshops and collaborative experiences.

Includes

- 4 workshops monthly
- Rotating developmental themes every 2 months
- Public speaking & communication
- Financial literacy
- Entrepreneurship & innovation
- Leadership development
- Collaborative projects & presentations
- Real-world problem solving experiences

Membership: \$57/month

BASECAMP

Enrollment Information

Program Structure

Students attend Basecamp on a consistent weekly schedule designed to support long-term growth, accountability, and momentum throughout the year.

Billing

Tuition is processed monthly on the 1st of each month.

Enrollment Continuity

Basecamp is designed as a year-round developmental program, with consistent participation supporting stronger long-term growth and momentum over time.

Attendance & Scheduling

Because student schedules and guide capacity are reserved in advance, make-up availability may vary depending on scheduling capacity.

Family Enrollment

Families enrolling multiple children may qualify for sibling tuition considerations.

Next Steps

1. Complete enrollment documentation
2. Select scheduling availability
3. Receive onboarding information
4. Begin your Basecamp journey
